Questions: On a separate sheet of paper, answer the following questions in at least 4-5 sentences. Refer to the text (Simon and Thonemann, pg. ___) where appropriate.

1. Summarize each chapter in 2-3 paragraphs. What were the main points? What stood out for you?

2. Throughout the book, the authors have provided asides in gray boxes, highlighting the importance of the Classical period on the modern culture and society. Select three you found interesting, summarize them and explain why you chose them.

3. Discuss what you thought of the book. Would you recommend it for next year’s summer reading assignment?
